You Are Holy In This Place

You are holy, holy
You are holy, holy
You are faithful, faithful
You are faithful, faithful
You are loving, loving
You are loving, loving

I give You honour
I give You glory
Receive all the honour, power and glory

(Elohim) I give You honour
(Yahweh) I give You glory
(Jehovah) Receive all the honour, power and glory
(Repeat)

And all the earth will praise Your name
Yes all the earth will worship You
(Elohim) I give You honour
(Yahweh) I give You glory
(Jehovah) Receive all the honour, power and glory

In this place
We magnify Your name
And bless Your holy name
In this place
(Repeat verse)

Chorus

And we bow before You
Lord we bow before You
Lord we lift our hands in praise
And we bow before You
